Welcome (Back) to Kenston Forest

How was your summer? Are you glad to be back at school? We sure are! We've got a great year coming up, and we're so thankful you are a part of it.

If you are new to Kenston this year, the PTO is available and willing to help make your transition into Kenston as easy as possible. We'll update you monthly on PTO news, events, fundraisers and information, and you can always check the PTO page of the Kenston website (www.kenston.org). Our page is under construction now, but keep checking . . .

Want to get involved? Volunteer? Joining the PTO is easy - you are already a member! That's right - all parents of students in the ELP, Lower and/or Upper School, are members of the PTO. We'd love to see you at our meetings and

events. Our fall schedule is on the school calendar and listed under the Officer information in this newsletter.

If you are returning to Kenston this year, you'll notice a lot of changes. The teachers and administrators worked hard all summer to simplify and streamline our Kenston world. Please be patient as we all get accustomed to new arrangements.

If you see a new face, show your true Kavalier spirit! Take the time to welcome him or her into the Kenston family. They'll appreciate it, and you may make a new best friend.

Whether you are new or returning to Kenston, your KFS PTO hopes this will be your best year ever!!

Remember: No School Sept. 3rd ~ Labor Day

Calling All Middle School Cavaliers:

Your homework woes could be over!

Two lucky KFS Middle School Cavaliers will walk away owning a Fly Fusion Pentop Computer designed by LeapFrog.

As you write with the Fly Fusion Pen on Fly Paper, the pen automatically scans and digitizes your work. Later, you can upload it to your computer and convert to text for interactive study. You can purchase additional software for specialized applications.

The pens, valued at \$79.99 each, were donated to the KFS PTO by LeapFrog through PTOToday specifically for Middle School students to win at our Open House event.

Stop by the Library at Open House, Tuesday, August 21 from 1 - 5 p.m. to register to win. No obligation, no fee - just a great opportunity for the PTO to help you. We also have some great tips for parents of Middle Schoolers!

Presence

The PTO proudly announces the grand opening of our new office located on campus in Room 16, the former French classroom.

Come in, say "hi."
